## Dr. PRENTICE,

## AUGUST 10.

The following are a few of the many  
cases of cross-eyes Dr. Prentice has  
straightened in this city in less than  
one minute:

George A. Smith, Salt Lake City.  
Susie M. Shettler, " "  
Frank J. Hocking, " "  
Florence Peppers, " "  
Lester Riggs, " "  
Joseph McRae, " "  
Sarah Wilder, Coalville, Cache  
County.  
Daniel M. Campbell, Providence, Cache  
County.

Catherine Bivens, eye turned out-  
ward.  
P. Pugsley's grandson, totally deaf  
in one ear, restored to hearing, and  
many others.

## PILES,

Piles are almost instantly and pain-  
lessly cured by Dr. Prentice and the  
cause forever removed.

I have been afflicted with Hemor-  
rhoids (or Bleeding Piles) for the past  
twenty-five years. For several weeks  
past the pain has been so intense that I  
was forced to quit work. I found no  
relief either day or night, and was fre-  
quently compelled to walk the floor all  
night long, as it was impossible for me  
to sleep. In this condition I called on  
Dr. Prentice at the Continental Hotel  
who, after a painless operation of less  
than one minute, relieved me from all  
pain, and I have been able to sleep and  
rest well ever since.

I consider myself perfectly cured, and  
unhesitatingly offer this testimonial for  
the benefit of those who may be simi-  
larly afflicted.

HENRY GREGG,  
149 N. West Temple Street,  
SALT LAKE CITY, July 3d, 1888.

## MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings  
Bank, has a bright and intelligent little  
daughter nearly 9 years old, but she has  
suffered the unfortunate disfigurement  
of her life of being badly cross-eyed.  
Susie M. Shettler's parents were very  
loath to trust any one to operate on her  
eyes. But they had faith enough to  
trust Dr. Prentice, and he has made the  
eyes perfectly straight, which was done  
in less than a minute, and Susie  
Shettler is now a handsome little girl,  
while her parents are well pleased.

## SATISFIED AT LAST.

George A. Smith, of Salt Lake City,  
is a young man well and favorably  
known throughout Utah. He has been  
troubled with a bad case of cross-eyes  
all his life. Several years ago he had  
an operation performed by an oculist,  
but it was not successful and did not  
good, consequently his faith was very  
much shaken about its ever being made  
straight. But at the Continental Hotel  
on Monday of this week, Dr. Prentice  
made it straight in less than half a  
minute. Mr. Smith is delighted with  
the result and his many friends  
astonished. Mr. Smith said it caused  
him practically no pain.

## Dr. Prentice.

Dr. Prentice came to Salt Lake City  
several months ago a total stranger to  
most of the inhabitants of Utah, but  
his remarkable success in curing what  
ever he undertakes has made his name  
familiar in almost every household. At  
first he was to stop in Salt Lake City  
one month, but at the expiration of  
that time his business was so large that  
he prolonged his stay. When the time  
of his postponement expired his busi-  
ness had grown to such mammoth pro-  
portions that he was obliged to again  
extend his stay. Dr. Prentice is a sur-  
prise to a great many people, as he tells  
his patients truth. All cases that he  
thinks he can not cure he tells them so  
and daily turns many away with the  
assurance that their cases are hopeless,  
and in those cases in which he prom-  
ises a cure he always succeeds. So  
again Dr. Prentice has extended his  
stay until August 10th.

Dr. Prentice can be found at the  
Continental Hotel, Salt Lake City,  
until

## Ugly Indians.

WASHINGTON, July 30.—The War De-  
partment has received a telegram from  
the commanding officer at San Carlos,  
Arizona, as follows: "At the request of  
the acting Indian agent yesterday, I  
sent Captain Lee with cavalry with his  
troop and some scouts up the San Car-  
los, to arrest three Indians reported in-  
truded in the rocks and resisting.  
Lee upon his arrival found they had  
been. The command followed several  
trails, upon one of which they were  
found. The scouts exchanged shots  
with a small party said to belong to the  
Cassadaiz band. The scouts think they  
killed one Indian. About 6 p.m. some  
scouts and herders driving 500 agency  
cattle to a grazing camp were attacked  
by a party of Indians fifteen miles from  
here. The scouts and herders fled, and  
what became of the cattle is yet un-  
known. Captain Lee said at the grazing  
camp last night, 'I am expecting to  
hear from him hourly. I will do all I  
can to quiet the Indians, but there may  
be serious trouble.' The bands are  
those of Cassadaiz and Chulchunia.  
Seier thinks if the Indians leave the  
reservation they will go north and west.  
The line to Apache has been down for  
several days.

## California Fruit.

CHICAGO, July 30.—Nine cars of Cali-  
fornia fruit were sold at Union Auction  
market to-day. The packages offered  
were the finest that have yet come to  
hand. The majority of the pears were  
quite ripe, but sold for good prices all  
around. Plums and prunes showed no  
variations from recent values. The  
prices realized were as follows: Bart-  
lett pears, \$2.00 to \$3.15; Bunsack, 2.00;  
Clapp's Favorite pears, 2.40; Early  
Crawford pears, 1.35; Clings, 1.40 to  
1.50; Foster, 1.00; Sequoian, 1.15 to  
1.50; Crawford, .90 to 1.50; purple Du-  
sane plums, .90 to 1.00; Columbia plums,  
1.00; Bradshaw, .90 to 1.15; Hungarian  
plums, 1.15 to 1.30; yellow egg plums,  
1.30; German prunes, 1.15; gross prunes,  
1.00 to 1.05; Chasselas grapes, 1.70; Red  
Nectarines, 1.30.

## The Imperial Traveler.

COPENHAGEN, July 29.—The German  
and Danish squadrons met at 9 o'clock  
this morning, a short distance south of  
Dragor. King Christian, of Denmark,  
and Crown Prince Frederick boarded  
the German imperial yacht, *Hohen-  
zollern*, which was flying the Danish  
colors, and extended a cordial greeting  
to Emperor William. Sailors of the  
German vessels manned the yards and  
cheered the Danish squadron. Emperor  
William accompanied King Christian  
and the Crown Prince back to the Danish  
yacht, which displayed the German  
flag, and was brought to this city. The  
royal party landed at half past eleven,  
and were received by a guard of Honor.  
The band played the Prussian anthem  
as the Emperor stepped ashore.

## A Daylight Thief.

ALBANY, July 30.—About noon to-  
day P. D. Dederick, of a well-known  
firm of Agricultural Implement Manu-  
facturers, drove to the Mechanics &  
Farmers' bank and secured a package  
of bonds, comprising series sixteen of  
the debenture bonds issued by the  
Equitable Mortgage Company, of Kan-  
sas City, dated May 1, 1887, and falling  
due May 1, 1892, for \$1,000 each. The  
package he placed on the seat of his  
buggy. A man passing attracted his  
attention by saying there was some-  
thing the matter with the harness and  
while Dederick's head was turned, a  
confederate dashed in and grabbed the  
bonds and made his escape. Dederick  
thinks the package contained bonds to  
the value of \$10,000.

## The Irish.

DUBLIN, July 30.—Mayor McHugh,  
of Sligo, has been tried and convicted  
of the charge of publishing boycotting  
notices in his newspaper, the *Sligo  
Champion*. He was sentenced to four  
months' imprisonment.

## Kentucky Pastime.

WANKVILLE, July 29.—On the Ohio  
Valley railroad last night, between  
Henderson and Marion, Ky., William  
Cardwell, James Nicholas and Sam  
Nunn indulged in a shooting scrape.  
Cardwell and Nunn were fatally shot,  
and Nicholas jumped from the train  
and escaped.

## The Pacific Railroad Bill.

WASHINGTON, July 30.—There is good  
reason to believe the Senate select com-  
mittee on Pacific railroads will to-mor-  
row report the Outhwaite bill to the  
Senate unanimously, favorably and  
without amendment.

## For a Reservation.

WASHINGTON, July 30.—Chairman  
Holman, of the committee on public  
lands, to-day introduced in the House  
a bill to set apart a tract of land in New  
Mexico adjoining the Cochiti Indian  
Reservation as a public reservation, on  
account of its archaeological remains.

## The New Prince.

BREMEN, July 29.—The Empress and  
son are doing well. The Pope sent a  
telegram congratulating William on the  
birth of his fifth son. The Emperor in  
reply thanked the Pope for this new  
proof of his friendly regard.

Children Cry for Pitcher's Castoria

INDIANAPOLIS, July 29.—General Har-  
rison passed a quiet Sabbath and had  
few callers. In political circles the chief  
topic of conversation all day has been  
the refusal of ex-Governor Porter to  
accept the gubernatorial nomination if  
tendered. In his letter the governor  
says: "I have taken an active part in  
every Republican campaign since the  
Republican party was organized, except  
which occurred while I was holding  
office at Washington. After this long  
service, the State convention will, I am  
sure, refrain from pressing upon me a  
candidate to which I would be averse  
and which I should feel obliged to de-  
cline. But while I shall not be a candi-  
date, I shall not be indifferent to the  
success of the Republican party, nor  
shall my voice be silent in the impor-  
tant campaign on which it is about to  
enter. I shall give whatever aid I shall  
be able to for the success of the na-  
tional Republican ticket, and the suc-  
cess of candidates who shall be nomi-  
nated at our State convention."

## The Kansas War.

St. Louis, Mo., July 29.—Mayor  
Price, of Woodsdale, Kan., in his state-  
ment to Governor Martin in reference  
to the Stevens county war, stated that  
when the news of the killing of Sheriff  
Cross and several of the posse reached  
Woodsdale it created wild excitement.  
A meeting was held, and everybody  
was in favor of arming, proceeding to  
Hugtown and killing as many men as  
possible, then burning the town in re-  
taliation, but wiser counsel prevailed.  
While the meeting was in session Mr.  
Cross received a message from a Hug-  
town lawyer saying where the body of  
her husband could be found. Woods-  
dale people have sent for 100 Winchester  
and a wagon load of ammunition.  
They have picketed sentinels for sev-  
eral miles around Woodsdale with in-  
structions to fire upon any Hugtown  
man who attempts to pass them.

## Collision at Sea.

VINEYARD HAVEN, MASS., July 29.—  
The steamship *Parthian*, of the Bos-  
ton and Philadelphia line, and the  
schooner *Ayer* from St. John for New  
York, collided near West Chop Vine-  
yard Sound last night. The *Parthian*  
was badly injured and grounded in the  
harbor. The schooner was torn wide  
open, but her cargo of lumber saved her  
from sinking. No lives were lost, and  
there was little excitement among the  
passengers on the steamer.

## A Navy Strike.

PARIS, July 29.—About 8,000 navies  
are now on strike and others are ex-  
pected to join the movement. Twenty-  
three of 100 persons arrested have been  
held for trial on the charge of having  
been concerned in rioting at Laville-  
telle.

Five hundred strikers attacked the  
police of Lavilletelle on Saturday night.  
Ten rioters were wounded with swords.  
Many of the rioters were Italians.

## Tin in Mexico.

PITTSBURGH, July 29.—A company was  
formed in this city last evening with  
capital stock of \$1,000,000, the object be-  
ing to open a tin mine in Mexico near  
Durango. A tract of land has been  
purchased covering an area of ten miles  
square. The expert who assayed the  
ore says it will yield from 25 to 35 per  
cent, which is the largest in the  
world. The distributing point will be  
El Paso.

## The President.

NEW YORK, July 29.—President Cleve-  
land and party sailed from Bay Shore,  
New York, at 8.30 this morning for  
Block Island. There was a large crowd  
up early in the morning to see the  
President, and not a few of them tried  
to shake hands with him. There was  
no opportunity for that, however. The  
President will return home Tuesday  
night.

## Beat the Record.

NEW YORK, July 29.—The record in  
distance for throwing a 16-pound ham-  
mar was beaten this morning by Berry  
of the Cork Athletic Club. The distance  
thrown was 122 feet, 6 1/2 inches. The  
best previous record was also made by  
Berry, about twelve months ago in New  
York, the length at that time being 121  
feet, 11 inches.

## The Indian Tr. ucles.

St. PAUL, July 29.—A Victoria, B. C.,  
special pronounces about the news  
from Ottawa, that the steamer *Caroline*  
has arrived at Skeena river and had a  
parley with the Indians. Not a word  
has been received at Victoria since the  
*Caroline* sailed, and much uneasiness  
is felt.

## Boycotted and Murdered.

DUBLIN, July 29.—John Forhan, a  
boy-cotted farmer, while returning from  
Tralee with three laborers in a car to-  
day, was shot dead near Lisheen, in  
Kerry, by two disguised men, who  
jumped over the fence, fired and then  
escaped.

## A Fighter Downed.

LONDON, July 29.—Jem Smith, prize  
fighter, while driving in Kilburn, Lon-  
don, to-night, collided with a trap and  
was thrown to the ground. He was  
picked up insensible, injured about the  
ribs and face.

## A Jute Trust.

St. LOUIS, July 29.—George Taylor, a  
prominent St. Louis cotton factor, is  
authority for the statement that jute  
bagging manufacturers have formed a  
pool or trust, and advanced the price of  
bagging from 7 to 11 cents yard.

## Browned.

NEW YORK, July 29.—Kate and Den-  
nis, children of Patrick J. Byrnes, were  
drowned in the harbor to-day by the  
upsetting of a rowboat. The father was  
saved with difficulty.

## The Hurt Jockey.

SANATOGA, July 29.—Morris, of Balti-  
more, a gentleman jockey, injured in a  
steplechase yesterday, is somewhat  
improved this evening. All that is  
said is inflammation of the brain.
